On Party Day

Parents, the only items you need for your OT party are: a camera, cake, candles and any other food you want to serve! Party days are very busy. *All parties must start and end on assigned time.* Release form must be signed by all parents that have children participating. This will be at the front desk. The birthday child's parents are the only adults allowed to walk around with the party. All other parents can watch from our viewing area upstairs! At the conclusion of your party time, you simply take your gifts and leave the cleaning to us!

Ocean Tumblers Parties include:

- *Birthday invitations with directions.
- *One hour of fun-filled activities with an OT Party host. Enjoy time in the inflatable, on the trampoline, pit fun and an obstacle course!
- *30 minutes in the party room for fun, food, and gift giving. Ocean Tumblers provides all paper products, water, lemonade, table covering, and spoons for the children only.
- *Each party participant receives a special Birthday medal. The Birthday child goes home with their own Trophy!
- *Ocean Tumblers makes parties enjoyable for parents also. We take care of all the set up and clean up.
